IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA IN AND FOR THE COUNTY OF SAN DIEGO

CHRIS LANGER,

Case No.: G/C 791242

Plaintiff,

) COMPLAINT FOR DAMAGES AND) INJUNCTIVE RELIEF FOR VIOLATIONS

) OF: UNRUH CIVIL RIGHTS ACT;) CALIFORNIA'S DISABLED PERSON ACT; SAMIR H. SOMO; NADA H. SOMO, and) NEGLIGENCE; CALIFORNIA'S UNFAIR) BUSINESS PRACTICE ACT.

DOES 1 through 10, inclusive

DEMAND FOR JURY

Defendants.

Plaintiff CHRIS LANGER, (hereinafter referred as "Plaintiff") complains of SAMIR H. SOMO; NADA H. SOMO, and DOES 1 through 10, inclusive, (hereinafter referred to as "Defendants") and alleges as follows:

INTRODUCTION:

1. This is a Civil Rights action for discrimination against persons with physical disabilities, of which Plaintiff is a member of said class, for failure to remove architectural barriers

structural in nature at Defendants' place of business, located at 431 N. Highland Ave., National City, California, a place of public accommodation; and for failure to modify practices and or policies in order to accommodate, thereby discriminatorily denying Plaintiff and the class of other similarly situated persons with physical disabilities access to, the full and equal enjoyment of, opportunity to participate in, and benefit from, the goods, facilities, services, and accommodations thereof.

2. Plaintiff seeks injunctive relief and damages for violations of civil rights and for damages flowing from such violations.

PARTIES:

- 3. Plaintiff is a California resident with physical disabilities who uses a wheelchair to travel about in public.
- 4. Defendants, SAMIR H. SOMO; NADA H. SOMO, and DOES 1 through 10, inclusive (hereinafter alternatively referred to collectively as "Defendants"), are the owners and operators, lessors and/or lessees, or agents of the owners, lessors and/or lessees, and/or alter egos, franchisers and/or franchisees, of the building and/or buildings which constitute a public facility in and of itself, occupied by the above described defendants, and subject to the requirements of federal and state law requiring full and equal access to public accommodations and facilities.
- 5. Plaintiff does not know the true names of Defendants, their business capacities, their ownership connection to the property and business, or their relative responsibilities in causing the access violations herein complained of, and alleges a joint venture and common enterprise by all such Defendants. Plaintiff is informed and

 believes that each of the Defendants herein, including DOES 1 through 10, inclusive, is responsible in some capacity for the events herein alleged, or is a necessary party for obtaining appropriate relief. Plaintiff will seek leave to amend when the true names, capacities, connections, and responsibilities of the Defendants and DOES 1 through 10, inclusive, are ascertained.

PRELIMINARY FACTUAL ALLEGATIONS:

- 6. Defendants are or were at the time of the incident the owners and operators, lessors and lessees of the public facility, located at 431 N. Highland Ave., National City, California. The public accommodation, its path of travel, parking, restrooms and its other facilities are each a "public accommodation or facility" subject to the requirements of state and federal law. On information and belief, each such facility has, since July 1, 1970, undergone "alterations, structural repairs and additions," each of which has subjected the public accommodations, and each of their facilities to handicapped access requirements per the Americans with Disabilities Act Access Guidelines (ADAAG) and Title 24 of California's Code of Regulations.
- 7. On at least once occasion within the statutory period preceding the filing of this complaint, Plaintiff was an invitee and customer at the subject public accommodation.
- 8. During Plaintiff's visit, the subject public accommodation exhibited various violations of the Americans with Disabilities Act Accessibility Guidelines ("ADAAG") and Title 24 of the California Code of Regulations including but not limited to: there was a lack of properly configured disabled parking; a lack of van accessible designated disabled parking; and inaccessible merchandise aisles.

- **9.** On information and belief, other portions of the facility were improperly inaccessible for use by persons with physical disabilities.
- 10. On information and belief, the facilities continue to the date of filing this complaint to deny equal access to Plaintiff and other persons with physical disabilities.
- 11. As a result of the inaccessible facilities, Plaintiff was humiliated, embarrassed and frustrated, suffering emotional injuries. Moreover, as a result of the inaccessible facilities, Plaintiff, suffered bodily and physical injury.
- Plaintiff would like to return and use the Defendants' accommodations but because of Defendants' violations, Plaintiff and other persons with physical disabilities are unable to use public facilities such as those owned and operated by Defendants on a "full and equal" basis unless such facility is in compliance with the provisions of Americans with Disabilities Act the Accessibility Guidelines and state accessibility law as pled herein. Plaintiff has, therefore, been deterred from returning and using the Defendants' public accommodations.
- 13. Plaintiff is informed and believes and therefore alleges that Defendants and each of them (1) caused the subject improved real properties which constitute the subject public accommodation to be constructed, altered and maintained in such a manner that persons with physical disabilities were denied full and equal access to, within and throughout said improved real property(s); (2) that the Defendants have had actual and constructive notice that the facilities were not legally accessible to persons with disabilities; (3) that despite being informed of such effect on Plaintiff and

other persons with physical disabilities due to the lack of accessible facilities, Defendants, and each of them, knowingly and willfully refused to take any steps to rectify the situation and to provide full and equal access for Plaintiff and other persons with physical disabilities to the subject public accommodation. Said defendants, and each of them, have continued such practices, in conscious disregard for the rights and safety of Plaintiff and other persons with physical disabilities. Said conduct, with knowledge of the effect it was and is having on Plaintiff and other persons with physical disabilities, constitutes despicable conduct in conscious disregard of the rights and safety of Plaintiff and of other similarly situated persons, justifying the imposition of punitive and exemplary damages per Civil Code section 3294.

- 14. Plaintiff repleads and incorporates by reference, as if fully set forth again herein, the allegations contained in all prior paragraphs of this complaint.
- 15. California Civil Code § 52 provides that a party that discriminates against a plaintiff in violation of Civ. Code § 51 shall be liable for actual damages, up to three times actual damages but not less than \$1000 for each such offense, and any attorney's fees incurred by the plaintiff.
